ICRAME 2023

The 4th International Conference on Recent Advancements in Mechanical Engineering (ICRAME) 2023 will be held during 03rd to 05th February 2023, at National Institute of Technology Silchar. The Conference aims to bring together experts from academic, scientific and industrial communities to address new challenges, present their latest research findings, ideas, developments and perspective of the future directions in the field of Mechanical Engineering. ICRAME 2023 invites all the researchers to participate in the conference.

NIT Silchar

With a vision to train and transform young professionals into responsible citizens engaging themselves for the betterment of the society, NIT Silchar has come a long way from being a REC to brand- NITS. The Institute aims to produce skilled and trained industry-ready professionals through imparting quality technical education, and it acts as the center of excellence for engineering and scientific research.
